Twenty-first century Police Officer Mike Forrester can't believe his eyes. A woman is standing in a glowing tangerine light in the early morning hours. He has to see if the vision is real. His hand closes around her wrist and he's stunned by the hot, intense desire that rushes through him. The world spins and the last thing Mike remembers is the gentle touch of the woman's hands on his face as she strokes his mouth. Twenty-second century scientist Shauna Wentworth doesn't intend to bring Mike Forrester to her time. But before she can send him back they find themselves in a race against time to uncover a political secret that will rock the world. Soon the global military police have them listed as number one on their worldwide most wanted list. While fighting a corrupt world order Mike and Shauna fall deeply in love. Can their love survive between two different worlds?
