The Rise of American Democracy: Jefferson to Lincoln Sean Wilentz

Winner of the Bancroft Award: "Monumental...a tour de force...awesome in its coverage of political events."?Gordon Wood, *New York Times Book Review*

Acclaimed as the definitive study of the period by one of the greatest American historians, *The Rise of American Democracy* traces a historical arc from the earliest days of the republic to the opening shots of the Civil War. Ferocious clashes among the Founders over the role of ordinary citizens in a government of "we, the people" were eventually resolved in the triumph of Andrew Jackson. Thereafter, Sean Wilentz shows, a fateful division arose between two starkly opposed democracies? a division contained until the election of Abraham Lincoln sparked its bloody resolution. Winner of the Bancroft Award, shortlisted for the Pulitzer Prize, finalist for the Los Angeles Times Book Prize, a *New York Times* 100 Notable Books of 2005 and best book of *New York* magazine and *The Economist*.
