Times Table Mastery is a book that teaches the times tables the old fashioned way, with write-cover-check and lots of practice exercises. This book can be used as a sixteen week course. There are no promises of quick, easy or fun methods that will enable the times tables to be learned in a week without any work. Instead, this book consists of a thorough approach that will result in a long lasting mastery of the times tables. This book is most suited to the child in grade 4 or above. This may not be the best book for the younger or weaker student.
