## Art College Admissions II Wook Choi

In Part II, you'll gain inside information on the top undergraduate art programs within colleges and universities or art schools throughout the USA. You'll also be introduced to some of the most renowned schools in Europe & Asia, which will broaden your range of schools and programs to choose from. You might also start thinking about having an education overseas and the unique experience it will provide in your growth as an artist or designer.

Each school was interviewed, and questions answered by dept. chairs, admissions officers, faculty & staff about any exciting program developments, famous alumni, and advice on the importance of studying art & design today. This guide will potentially help you narrow down or broaden your options, while providing practical information such as application & portfolio requirements, deadlines, and tips on portfolio development.

An exciting addition to Part II is reading firsthand the advice from various professionals in the creative field: ranging from CEO's, creative directors, and executives of top art, design, & technology companies, art critics and writers, artists, and designers throughout the world. Read on how they came up with the vision for their company, how technology is affecting their business and outlook, and any personal advice for students graduating and entering the creative fields today.
