## **Deepening Faith: Adult Faith Formation in the Parish** Janet Schaeffler OP

Since the ending of Vatican II, the Church has officially published no fewer than eight major documents calling for adults to be the center of the church's educational mission. And the Catholic faithful are calling on the church to quench their thirst for a deepening of their lived faith. They realize that the catechesis they received as children simply isn't enough to continue in the faith as adults in the church and world; they desire a deepened faith.

In *Deepening Faith*, Janet Schaeffler, OP, offers a practical guide and source of encouragement to parish and diocesan committees, catechists, and adult faith formation teams. She outlines the essential foundations, methods and strategies that can support this journey for today's adults of all ages and generations.
