Hunted (Firebrand Series) (Volume 2) Sandra Robbins

After over one hundred documented missions as Gray Feather, the elusive military sniper, Colt Hanson is trying to put his former life behind him. However, a mission he carried out in Africa against the rebel leader of The Leopard Army still haunts his dreams because the shot that ended the life of the sadistic killer also brought about the failure of his marriage. Now after five years, members of The Leopard Army have come to America seeking vengeance on Colt for killing their leader. But they also have targeted Colt's estranged wife Sloan, and the two find themselves thrown together again as they become the prey of a vicious hunter in a cross country journey. Can they put their differences aside and work together as they try to elude those who have vowed they will not stop until Gray Feather and his woman are both dead?
