The cruelest race in the solar system has invaded her planet, leaving her homeless. And while she stands there, watching her home burn to ashes, her family's worst enemy appears through the smoke. Trev of Kopah has no intentions of giving up just because his successful sex slave plantation has been attacked. He will rebuild, be successful once again. And with his planet's destruction, all rules are wiped clean too. Now he can have the woman of his dreams, the one woman forbidden to him—Marla of Torl.
