The American Sporting Airedale Frank Jarman III

This book is about the working qualities of the Airedale Terrier. From coursing coyotes with greyhounds, to lion hunting in Montana, to bird hunting in Wyoming, on to wild boar hunting in Texas, the Airedale terrier can do it all. Some even qualify for serious protection/attack work as in Shutzhund/French Ringsport; and when you find a Airedale that qualifies for protection work they are generally unbeatable for their size.
