Things are looking good for Darian Frey, roguish captain of the Ketty Jay and her dysfunctional crew of layabouts. Accustomed to living on the wrong side of the law, running contraband, robbing airships and generally making a nuisance of themselves, Frey's rag-tag bunch of no-hopers is finally on the rise from bottom-feeding freebooters to bar-room celebrities. And, just for once, nobody is trying to kill them.

Even Trinica Dracken, Frey's one-time fiancée and long-time nemesis, has given up her quest for revenge. In fact, she's offered him a job—one that will take his crew deep into the desert heart of Samarla, land of their ancient enemies, where the secrets of the past lie in wait for the unwary. Secrets that might very well cost Frey everything.
