Dynamic Physical Education for Elementary School Children

Robert P. Pangrazi, Victor P. Dauer

Dynamic Physical Education for Elementary School Children Robert P. Pangrazi, Victor P. Dauer
Used by over half a million students, the best-selling *Dynamic Physical Education for Elementary School Children* offers the next generation of physical education teachers the best guide in step-by-step techniques for teaching physical education. This text covers everything from games and activities suitable for every developmental level to teaching strategies and guidelines for every classroom situation. Whether instructors are starting a new program, restructuring an established one, or working with a team in an existing system, *Dynamic Physical Education for Elementary School Children* provides the best combination of theoretical framework and hands-on activities available. The Sixteenth Edition underscores the importance of activities taught in Part II of the book for student use later in their careers. It also provides an updated video package, and emphasizes the importance of lifetime physical activity through inclusion of club activities, lifetime sports, and discussion of helping students develop healthful behaviors.
