In "Laying It on the Line: Notes of a Team Player", Howard Griffith shares his motivational story of how sheer determination made him a National Football League star and Super Bowl champion. From his days as a troubled youngster in his dangerous southside Chicago neighborhood to his years as John Elway's and Terrell Davis' teammate with the two-time world-champion Denver Broncos, Griffith tells the reader how "beating the odds" became much more than a cliché to him. "If you learn to expect the barriers and anticipate the bumps and bruises along the way," says Griffith, "you pad and protect yourself, and prepare the way towards personal success. Becoming a team player is absolutely crucial to your ultimate success." "Laying it on the Line" will help the readers reach their goals, too.
