Textbook Money Savings: 10 Simple Ways (Thriving in School 3) Shea Hasenauer

Are you a new (or current) college student faced with paying high textbook prices?

This eBook provides 10 straightforward techniques to consistently save money on textbooks throughout college. It focuses on clarifying with professors exactly what books and editions are required, exploring ways to obtain books without having to purchase them, and purchasing and reselling books with online retailers.

This book is great for new (or current) students who think their main choices are to either buy books new or at bookstore prices.

After paying \$800 on textbooks his first semester of college, the author paid about \$300 the last seven semesters combined.
