The Finnish Civil War 1918: History, Memory, Legacy (History of Warfare)

The Finnish Civil War 1918: History, Memory, Legacy (History of Warfare)

"The Finnish Civil War 1918" offers a rich account of the history and memory of the short conflict between socialist Reds and non-socialist Whites in the winter and spring of 1918. It also traces the legacy of the bloody war in Finnish society until today. The volume brings together established scholarship of political and social history with newer approaches stemming from the cultural history of war, memory studies, gender studies, history of emotions, psychohistory and oral history. The contributors provide readers with a solid discussion of the Civil War within its international and national frameworks. Among themes discussed are violence and terror, enemy images, Finnish irredentist campaigns in Soviet Karelia and the complex memory of the conflict. Besides a historical narrative, the volume discusses the current state of historiography of the Finnish Civil War. Contributors are Anders Ahlback, Pertti Haapala, Marianne Junila, Tiina Kinnunen, Tiina Lintunen, Aapo Roselius, Tauno Saarela, Juha Siltala, Tuomas Tepora and Marko Tikka."
