Uncover a Tarantula: Take a Three-Dimensional Look Inside a Tarantula! (Uncover Books) David George Gordon

Uncover a Tarantula examines the structure and anatomy of the largest spiders in the world and provides fascinating facts and information on each exciting page. Learn how these predators capture and kill other insects and animals, use their bodies to protect and camouflage themselves and why their blood is green. This full-color illustrated book combines the best model elements to help readers truly uncover the mysteries of what makes things work. A fascinating three-dimensional presentation allows in-depth, hands-on exploration of the subject at hand. This unique model is easily built, deconstructed, and rebuilt layer-by-layer, system-by-system, just by turning a page, until an understanding of the topic is achieved. Kids will love to see and touch each disgusting but interesting tarantula part!
