This is the free book sample of the standalone book

I'm being stalked by a dead man. I've been living in the shadows for years, running from a past I didn't choose, running towards a future that I am afraid can never exist.

And now, I'm fighting to survive.

I try to flee, but I am captured by Chase's love and promises. He says he can protect me, but I know that's not true. Do I bring him into my nightmare, or do I push him away and save his life?

I can't stop running.

I can't escape the past.

It's better that I keep running, because if I don't, it's more than just my life in danger.

And that's a risk that I'm not willing to take.

The first edition of this book was published as Foxy Tale.
