FDR Goes to War: How Expanded Executive Power, Spiraling National Debt, and Restricted Civil Liberties Shaped Wartime America Burton W. Folsom, Anita Folsom

Burton Folsom's *New Deal or Raw Deal?* was heralded by critics across the board, and #1 *New York Times* bestselling author and media personality Glenn Beck called it "a must read to help understand our current fiscal problems." Now, writing with his wife Anita Folsom, a domestic policy specialist, *FDR Goes to War* expands on the premise that FDR's legacy has damaged America and helped lay the groundwork for the current economic crisis.

The Folsoms continue to expose the idyllic legend of Franklin D. Roosevelt as a myth of epic proportions. Many government programs that are widely used today have their seeds in the New Deal. Farm subsidies, minimum wage, and welfare, among others, all stifle economic growth - encouraging decreased productivity and exacerbating unemployment - and public ignorance of some of these policy failures has lent support for similar policies in later years. Informative, groundbreaking, and illuminating, *FDR Goes to War* is a must-listen!

Bernard Davisson:

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This FDR Goes to War: How Expanded Executive Power, Spiraling National Debt, and Restricted Civil Liberties Shaped Wartime America can be the response, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

Rebecca Bonnett:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this FDR

Goes to War: How Expanded Executive Power, Spiraling National Debt, and Restricted Civil Liberties Shaped Wartime America can make you sense more interested to read.
