## First Things (Number 105, August/September 2000)

First Things is published by the Institute on Religion and Public Life, an interreligious, nonpartisan research and educational 501(c)(3) organization. The Institute was founded in 1990 by Richard John Neuhaus and his colleagues to confront the ideology of secularism, which insists that the public square must be "naked," and that faith has no place in shaping the public conversation or in shaping public policy.
