## **Leaves in Fall** Sam McManus

Life is a boring experience for nine-year old Jeremy Renton, a stranger in his own house, so he's learned to head into the far reaches of his family farm, where excitement waits in the form of his bountiful imagination. But something happens out on that land that imagination can't control, that shapes his life, and the town's very nature, in ways that he never could have fathomed. In the course of a year things change immeasurably, causing Jeremy to doubt everything he's ever known, as summer turns to fall, and winter looms on the horizon.
