Robert Gerard Anstey

Never Say Goodbye: A true story of love, inspiration and romance in WWII when, during D-Day, American soldiers and RAF women face tragedy and triumph ... and the Bulge, allies were forever formed. Robert Gerard Anstey

A true story that will make you laugh at times, and will also touch your soul. Live through the heart pounding, gut wrenching events that will leave you breathless. Fall in love with the characters as they seek out hope in hopeless times. Follow a group of young Americans that are thrust into manhood. Lifelong bonds are made between them as they prepare to meet a common enemy. Feel the anguish of a little British girl as she is ripped from her family and cast into a pit of despair that she alone can fight her way out of. American soldiers cross paths with women of the Royal Air Force along the Coast only days before D-Day facing tyranny and tragedy together. Soldiers from the tough streets of New York stare across the English Channel with the uneasy feeling of knowing they have never faced a bully like the Nazis before. Some will never return, many will never be the same. The citizens of England pray for the allied soldiers gathering at their shores. The people of France, and much of Europe, pray for their liberation. The people of America pray for their sons. The women of all nations, pray for their men. The soldiers are afraid, but they have resolve. They are not heroes, but they are heroic. They are ordinary people in extraordinary times. They will never give up, they will never surrender, and though they know they may not return, they never say goodbye.
