## **Profiles of Women Murdered by the Boston Strangler** Robert Grey Reynolds Jr.

My e-book explores the backgrounds of women who were murdered by the Boston Strangler, beginning with Anna Slesers, the first victim. It looks at their ethnicities, immigrations from Europe, employment history, addresses, census and business directory records, families, and death circumstances. The text is a departure from the usual type of true crime genre book. I became interested in the Boston Strangler murders as a youth. One of my boyhood friends' father knew him during his service in the United States Army. In reading various books about the crimes, I wondered about the lives of the women the killer(s) ended through his violent acts.
