Tesseract Eighteen: Wrestling With Gods

Tesseract Eighteen: Wrestling With Gods

A mechanical Jesus for your shrine, the myths of cuttlefish, a vampire in residential schools, a Muslim woman who wants to get closer, surgically, to her god, the demons of outer space, the downside of Nirvana. The 24 science fiction and fantasy stories and poems included in Tesseract 18: Wrestling with Gods take their faith and religion into the future, into the weird and comic and thought-provoking spaces where science fiction and fantasy has really always gone, struggling with higher powers, gods, the limits of technology, the limits of spiritual experience.

At times profound, these speculative offerings give readers a chance to see faith from the believer and the skeptic in worlds where what you believe is a matter of life, death, and afterlife.
