Paris dining pro Andy Herbach shares the best Parisian restaurants and wine bars, including top wine shops and other places to buy great wine!

The author of "Eating & Drinking in Paris" and "Open Road's Best of Paris" brings us his take on the best combination of culinary delights imaginable – delectable French food and out-of-this-world French wine – in the best city in the world to combine them: Paris!

A brief section introduces readers to the Parisian restaurant scene, French wines by region, and select culinary and wine terms. The rest of the book is arranged by district (arrondissement) for ease of use, and each arrondissement section will offer a map followed by top restaurant picks (not just high-end gourmet, but also great meals at more moderate prices), wine bars, cafes, wine shops (including organic wine shops) and other places that sell wine such as cheese shops, bakeries, and even candy shops! The restaurants selected will all be known for their wine selection, no mean feat for a city overflowing with restaurants featuring top-notch wine even in the humblest establishments.
