Written in the Stars Carly Syms

"Isn't that all we can hope for, anyway, to be happy when we crawl into bed every night and to wake up the same way every morning?" 17-year-old Kate isn't happy. Her boyfriend just broke up with her and she doesn't have a clue where to go next. When her Astrology-obsessed friend suggests Kate let her horoscope guide her through the break-up, Kate ends up in one sticky situation after another, all designed to help her get her boyfriend back, no matter what she might have to give up along the way. Have you ever wished you had someone to show you the way through the rough patches or is it better to let Fate take the reins?

From reader reviews:

Hubert Drummond:

In this 21st millennium, people become competitive in each and every way. By being competitive now, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Yes, by reading an e-book your ability to survive rises then having a chance to stand up than other is high. To suit your needs who want to start reading a new book, we give you that *Written in the Stars* book as a beginning and daily reading reserve. Why, because this book is more than just a book.

Joshua Molina:

Written in the Stars can be one of your nice books that are a good idea. All of us recommend that straight away because this book has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to put every word into delight arrangement in writing *Written in the Stars* but doesn't forget the main position, giving the reader the hottest and based confirmed resource details that maybe you can be considered one of it. This great information may draw you into a brand-new stage of crucial thinking.

Lorenzo McAvoy:

That book can make you to feel relax. That book *Written in the Stars* was multi-colored and of course has pictures on the website. As we know that book *Written in the Stars* has many kinds or type. Start from kids until teenagers. For example *Naruto* or *Investigation company Conan* you can read and think you are the character on there. So, not at all of book are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that will.

Ralph Ainsworth:

A lot of people said that they feel bored stiff when they reading a book. They are directly felt the idea when they get a half elements of the book. You can choose the actual book *Written in the Stars* to make your reading is interesting. Your own personal skill of reading proficiency is developing when you including reading. Try to choose simple book to make you enjoy to learn it and mingle the feeling about book and examining especially. It is to be very first opinion for you to like to available a book and study it. Beside that the e-book *Written in the Stars* can to be your new friend when you're experience alone and confuse with what must you're doing of their time.
