Adult and Paediatric ALS: Self-assessment in Resuscitation

Dr Charles Deakin

Adult and Paediatric ALS: Self-assessment in Resuscitation Dr Charles Deakin

Competency in resuscitation is a necessity for most clinical staff, with many attending Advanced Life Support (ALS) courses. *Adult and Paediatric ALS: Self-assessment in Resuscitation* uses an innovative question-and-answer structure and Resuscitation Council (UK) 2010 Guidelines to provide a complete overview of all aspects of advanced life support and resuscitation in adults and children. Comprising ten chapters of multiple choice questions, diagnostic questions, colour photo questions and comprehensive answers, this resource aids revision of the adult and paediatric ALS syllabus and assists readers in gaining a thorough understanding of all aspects of resuscitation science and practice. Written by a leading resuscitation expert, *Adult and Paediatric ALS: Self-assessment in Resuscitation* is essential reading for anyone undertaking resuscitation training, beginning training in acute resuscitation specialities or wishing to update their knowledge of advanced life support.
