Benevolent Leadership For A Better World. Unlocking Benevolent Capitalism.

Do you want to discover a totally different way of looking at creating business? Would you like to find a new approach to leadership that creates a greater difference and generates more possibilities in businesses as well as in people's lives and on the planet?

A different way of living your life and leading your business.

The book offers insights into the principle of Benevolent Leadership and Benevolent Capitalism and what these ideas mean for individual leaders and organisations. It provides inspirations and simple approaches for making the most of your ability to expand your leadership zone of awareness and unlock your present reality to become even more of the remarkable leader you truly are. You will gain the insights and pragmatic approach to cultivate benevolent leadership capacity and energy.

This book is for...

- Individuals who would like to increase their leadership effectiveness and develop as both a leader at home, in the workplace and as a member of society
- Experienced leaders, and those in emerging new leadership roles
- C-level executives with broad strategy responsibilities, founders, entrepreneurs and owners of mid-size organisations who wish to create a better world

Benevolent leaders have the potency for being a catalyst for change

You will discover what it takes to actually create a sustainable future and sustainable reality in this time of great change.

If you wish to create a sustainable future but don't know what it will take for that to transpire, this book will

point you toward the future and inspire you, showing you what is truly possible. You will be able to develop an expanded zone of awareness and foresight in your role as a leader, along with gaining practical ideas and tools for achieving excellence within your organisation while inspiring others to do so as well.

What could you change on the planet or in the universe if you chose to be a conscious benevolent leader and make that demand?..... Everything!

Explore the <http://www.benevolentcapitalism.com> website and the rich array of videos, stories, google hangouts, news and media that explore the possibilities and real life stories of benevolent capitalism. Be inspired. Be part of the change that society and the world requires.

ABOUT AUTHORS

Leading proponents of Generative Innovation and Conscious Benevolent Leadership for over two decades, Gary, Steven and Chutisa have also gained recognition as thought-leaders on the unconventional perspective of benevolent capitalism. Taken together, their spheres of expertise are highly relevant in facilitating organizations to re-think their business and to sculpt out prosperous, progressive and generative strategies.

Gary, Chutisa and Steve facilitate people to know that they are the source for creating the change they desire and creating a life that goes beyond the limitations of what the rest of the world thinks is important. Benevolent Capitalism is as an essential aspect to creating a future that has greater possibilities in it for everyone as well as the planet.

This is a priority not only for personal happiness but also for the ending of violent conflict endemic on our planet and creating a different world. If enough people choose to be more aware, more benevolent and more conscious, they will start to see the possibilities of what they have available to them and change what is occurring here on planet earth.
