Fate Defined by Choice...

Now I lay me down to sleep,
Whom shall I trust my soul to keep?
If I should die before I wake,
I leave to fate my soul to take.

The seal has been broken and the Soul Keeper Prophecy set in motion. Marcus and Nicolas are battling for the heart of one woman, Pandora's only daughter; however, not everyone is playing by the rules. With interference from both sides of the lines and too many deities with hidden agendas, the trio must take matters into their own hands and look for another ending, one that removes control from fate.

Can they find the missing page from the prophecy that has the ability to change everything?

Will the new stranger they've been given as a guide assist or mislead them?

Will Samantha make a decision on who it is that she truly loves, saving one and destroying the other?

What if her choice is no choice at all?

This is book 2 of a trilogy.
