## **Son of Dragons: Legends Of Oblivion, Book 2** Andrea R. Cooper

In a time of false peace, the dead rise as soldiers for the Warloc's scheme. For thousands of years he has stood ready for the final battle. Though the witch and her cursed Elvin have destroyed his physical body, now with his protégé, he has honed a new way to wage war.

Shunned by her own people and weary-hearted from centuries of lost loves, Elvin warrior Mirhana scours the land to silence the undead. Her heart has turned as cold as the sword she wields, until a prince seeks her aid. Never has Prince Landon met a woman like Mirhana. Both beautiful and deadly, she haunts his dreams. The battle at hand becomes more enchanting than fighting to remain true to his unseen betrothed.

When a traitor emerges, new alliances are tested and the only remaining hope is to follow the prophecy and find the . . . Son of Dragons.

Sensuality Level: Sensual
