The Assistants

Camille Perri

The Assistants Camille Perri

The debut novel that J. Courtney Sullivan calls “addictive, hilarious, and smart. It’s “9 to 5 for the student loan generation” and *Publishers Weekly* describes as “if the characters from HBO’s *Girls* were capable of larceny and blackmail.”

Rule #1: All important men have assistants. Rule #2: Men rule the world. Still. Rule #3: There is enough money. There is so much money.

Tina Fontana is a thirty-year-old executive assistant to Robert Barlow, the CEO of Titan Corp., a multinational media conglomerate. She’s excellent at her job and beloved by her famous boss—but after six years of making reservations and pouring drinks from bottles that cost more than her rent, the glamour of working for a media company in New York has completely faded, but her student loan debt has not.

When a technical error with Robert’s expense report presents Tina with the opportunity to pay off the entire balance of her loans with what would essentially be pocket change for her boss, she hesitates. She’s always played by the rules, but this would be a life-changer. As Tina begins to fall down the rabbit hole of her morally questionable plan, other assistants with crushing debt and fewer scruples approach her to say that they want in. Before she knows it, she’s at the forefront of a movement that has implications far beyond what anyone anticipated.

Featuring an eclectic clan of coconspirators, a love interest far too handsome to be trusted, and a razor-sharp voice full of wry humor, *The Assistants* is a rallying cry for the leagues of overeducated and underpaid women who are asking themselves, *How is it that after all these years, we are still assistants?*

From reader reviews:

Jorge Hinkley:

A lot of people always spent their free time to vacation or perhaps go to the outside with them family members or their friend. Are you aware? Many a lot of people spent that they free time just watching TV, or playing video games all day long. In order to try to find a new activity that is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent 24 hours a day to reading a e-book. The book The Assistants it is very good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore quickly to read this book from your smart phone. The price is not too costly but this book features high quality.

Ellis Cook:

Exactly why? Because this The Assistants is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Martin Thomas:

This The Assistants is great reserve for you because the content that is certainly full of information for you who have always deal with world and also have to make decision every minute. That book reveal it facts accurately using great arrange word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having The Assistants in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no reserve that offer you world within ten or fifteen tiny right but this guide already do that. So , this can be good reading book. Hello Mr. and Mrs. active do you still doubt in which?

Tessa Krieger:

Book is one of source of information. We can add our information from it. Not only for students but additionally native or citizen need book to know the up-date information of year to year. As we know those guides have many advantages. Beside many of us add our knowledge, could also bring us to around the world. With the book The Assistants we can take more advantage. Don't you to definitely be creative people? To be creative person must choose to read a book. Just simply choose the best book that appropriate with your aim. Don't always be doubt to change your life with this book The Assistants. You can more appealing than now.
