The Iraqi Aggression Against Kuwait: Strategic Lessons And Implications For Europe

Wolfgang F. Danspeckgruber, Charles Tripp

The Iraqi Aggression Against Kuwait: Strategic Lessons And Implications For Europe Wolfgang F. Danspeckgruber, Charles Tripp

The war for the liberation of Kuwait following the Iraqi invasion in 1990 rekindled the international community's geopolitical interest in the Gulf and helped define a new regional order. This book analyzes the political, strategic, and economic dimensions of the second Gulf War, with particular focus on military aspects. An international roster of experts treats issues of strategy, weapons technology, arms transfers, and the impact on the Arab state system. Of special interest is the exploration of the implications of the war for Japan, Germany, Russia, and Europe.
