HURRY!! 50% DISCOUNT...LIMITED PERIOD OFFER ONLY!! If you are sitting at your 9 to 5 job right now wishing you were anyplace but there, this book is for you. It is a proven fact that most people who have achieved any level of wealth did not do it by working for someone else. The bad news is there is still that four-letter word you have to contend with: work! Yes, even though you have the luxury of not clocking in at your former place of business you are still required to do something in exchange for a regular paycheck. There are only a few ways around that one, so unless you plan on winning the lottery or waiting it out until a family member drops so you can claim the inheritance, you are still going to have to work. The good news is, you can work from home on your own terms and generate the income you want. Whether you just want to match what you made at your previous job or if you want to become financially independent, the key to success is in your hands. You are your own boss, which means you determine when you want to work, when you can take time off, and even when to give yourself a raise! "Working From Home – A Guide to Setting up your own work from home income, on your own terms with real companies and real jobs" will take you step-by-step through the process of establishing a work-from-home income. There are many options that are available to you that you may not even be aware of. But there are also guidelines that will determine whether you will be successful or not.
