Act Two & Beyond: Making the Rest of Your Life Spectacular Gid Pool

People are living a long time—longer than ever. This is a good thing, but what are you going to do with those extra ten, twenty, or sometimes thirty years of retirement?

Will you be slipping quietly into the decades and accepting that this is it? Or will you seize each day as a new opportunity to learn and challenge yourself?

Gid Pool's book is for those who want to know, "What's next?"

At the age of sixty-one, Gid quit his day job to achieve his dream of being a touring stand-up comedian. Ten years later, he has performed on stages from Vancouver, Canada to Edinburgh, Scotland. His journey is an inspiration and model for those wanting to use their latter years to follow their passion.

Maybe it's planting and maintaining a garden. Or maybe it's taking a road trip or traveling overseas. Whatever the case, Pool is ready to help you create the roadmap and discover the courage to live your dream. Perhaps more importantly, he'll also help you prevent the world from crashing in and squashing that dream.

First, ask yourself, "What's next?"

Then, simply get started in your pursuit.
