Confronting Mental Health Evidence: A Practical Guide to Reliability and Experts in Family Law

John A. Zervopoulos

How do you know what you say you know? That's the key question family law professionals must ask when evaluating the reports and testimony of mental health professionals, their methods, and the materials that support their conclusions and expert opinions. This book offers a case-based model to empower lawyers in managing difficult psychology-related issues in their cases and hold mental health experts accountable in court.
