Dark Soul Silenced - Part One (Dark Soul Chronicles) (Volume 1) Mr Simon Goodson

What is left when the darkness is burnt from a vampire before it makes its first kill? Something not seen in thousands of years. A chance encounter leaves Daniel in just that position. With no memories of who he once was, and powers he barely understands, can he survive in a world where all magical powers are viewed as a sign of darkness? Can he convince others that he is free from evil? And is he? Has the darkness truly been purged from his soul? Or is it merely driven into hiding deep within, silenced for now but waiting to strike again?
