Joshua Davis

**Los Inventores (Spare Parts): Cuatro adolescentes inmigrantes, un robot y la batalla por el sueño americano (Spanish Edition)** Joshua Davis

**"Los inventores es una de esas historias raras que es difícil soltar. Narrada de manera impecable, es hilarante y también triste." --Chris Anderson, autor de *The Long Tail***

En junio de 2004 el equipo de la preparatoria Carl Hayden, de Phoenix, sorprendió a todos los asistentes a la competencia anual de robótica auspiciada por la nasa cuando resultó ganador en el evento. No era para menos, el equipo estaba conformado por cuatro adolescentes, cuyas circunstancias a todas luces los colocaban en una situación poco aventajada. Se trataba de hijos de inmigrantes ilegales, provenientes de una escuela pública con recursos escasos para desarrollar un robot que resultara competitivo. O al menos eso parecía. Su ingenio, talento y perseverancia, además del apoyo de sus maestros, los hicieron merecedores a este galardón, por encima de equipos tan poderosos como el del mit, que cuenta con la mejor escuela de ingeniería del mundo.

*Los inventores* retrata magistralmente la agrídulce historia de estos muchachos y sus familias, y el verdadero esfuerzo que implica conquistar el sueño americano.
