Legend has it that a distant ancestor of the Pocket God pygmies had traveled to a mysterious island inhabited by giant monsters and savage beasts, returning with the Gem of Life after proving himself worthy to the gods. Ever since then, the pygmies have had a limitless life clock, dying daily, only to be reincarnated time after time. Now, as the otherworldly gem slowly runs out of power, the pygmies' life clock ticks towards its inevitable end, forcing them to leave the relative safety of their own island in order to return the Gem of Life to the temple where it originated and redeem themselves in their gods' eyes. Based on the bestselling iPhone app and written by Jason M. Burns, Pocket God features art by indie sensation Rolo.
