It's easy to find advice on the college application essay.

In this book, however, you'll get advice that is much more valuable. You'll learn about the most common **mistakes** applicants make when writing their college essays. You'll learn about topics and writing styles that seem alluring, or even expected, but will actually **hurt your chances of acceptance**.

By learning about these common mistakes, you'll learn how to write a truly unique essay that will convey to college admissions officers who you really are as a person (which is all they *really* want). You'll learn how to set yourself apart from all the other applicants, and how to show admissions officers exactly why you belong at their school.

Written by an Ivy League grad, private college counselor and one of the co-founders of **Collegica.com**, *The College Essay Trap* is required reading for applicants who are serious about getting into the colleges on their list.
