Things You Can Do With An iPad - A Plain English Guide to the World's Best Selling Tablet

Some people say that the Apple iPad is among the devices that are going to define our generation. There are some that say Apple's tablet will rank with the telegraph, radio, television, and personal computer in its scope and significance. There is no question that the iPad represents a great leap forward in technology's evolution. While the iPad may not be as revolutionary as, say, the television, there is no disputing that the device ushered in a new era in technology: the tablet era. We'll present some of the many great things you can do with the device.
