As New; see scans and description. New York: UrbanGlass, 1999. The Spring, 1999 Issue (Number 74) of the UrbanGlass Art Quarterly. Quarto, photographically illustrated perfect-bound wraps, 64 pp. As New; flawless. see scans. Laid-in subscriber's offer is still within, untouched as well. A visually sumptuous production from the world of artfully fashioned glass. Photos rule the roost here, but there's plenty of information on showings of various artist's work, with brief bios of them as well, as well as information on studios, suppliers, schools etc. See scan of contents page, but some topics are: Dale Chihuly, Mary Shaffer, Brian Hirst, William Morris, Kreg Kallenberger, Lino Tagliapetra, Christopher Ries, Paul Marioni, Orrerfors, Frederick Carder, Jose Chardiet, Anna Skibska, Lucas Samaras, and many others; also, Brett Littman on Broken Glass and artist Robert Hickman takes a look at New York City-area mosaics. Very gorgeous, very scarce, very high-condition genre collectible. Shipped in a new, sturdy, protective box, of course; no bag for this one. LPR19
