With two hot twin stepbrothers back in town for the holidays, what could possibly go wrong?

Natasha had always hated the Cooper brothers, Jordan and Jesse. Identical twins who had tormented her all her life and who had finally left home to join the army at age eighteen.

Well, now they're back. Natasha is home after finishing veterinary school and the twins are home for Christmas.

When talking about old times reveals some things that rock Natasha's world, she wonders if she'll ever look at her hot-as-hell stepbrothers the same way ever again.

Besides, she should allow herself to have some fun, they're only back for ten days, aren't they?
