Address Unknown

Kressmann Taylor

Address Unknown Kressmann Taylor

A rediscovered classic, originally published in 1938, and now an international best-seller, it reveals the extraordinary power of the pen as a weapon.

“This modern story is perfection itself. It is the most effective indictment of Nazism to appear in fiction.”
–The New York Times Book Review

“A tale already known and profoundly appreciated by members of my generation. It is to our part in World War II what *Uncle Tom’s Cabin* was to the Civil War.” –Kurt Vonnegut

“*Address Unknown* serves not only as a reminder of Nazi horrors but as a cautionary tale in light of current racial, ethnic, and nationalistic intolerance.” –*Publisher’s Weekly*

“*Address Unknown* will leave you breathless with admiration.” –*Star Tribune* (Minneapolis)

With a new 2015 Introduction.

First published in 1938, *Address Unknown* resonated within the United States, changing many Americans’ views of the growing conflict in Europe. Kressmann Taylor’s revealing tale of the consequences of genocidal fascism remains as sadly relevant today as when it was first written.
