His Little Urban Princess (ABDL, Age Play, BWWM, Submission Romance) Becca Little

Rae has been kicked out of her home, betrayed by her man, and alone on the streets for days when she wanders into traffic and gets struck by a car. The driver turns out to be billionaire Mark Houston, an affluent white man who stays with her through her recovery and then confesses that he wants her to be his Little Rae.

Rae is shocked to find out that **billionaire** Mark Houston has fallen for her, but a life with him means **diapers, bare bottom spankings, enemas, and bottle feeding** as his **Little Rae**. If she **submits** to his love, she will never have to worry about anything for the rest of her life, but is **submission** too much for a woman from a broken home seeking independence to handle?
