La rana Viajera (Spanish Edition) Julio Camba

Mientras he estado en el extranjero, yo he tenido un punto de referencia para juzgar los hombres y las cosas: España. Pero esto era únicamente porque yo soy español y no porque España me parezca la medida ideal de todos los valores. Ahora, y para hablar de España, me falta este punto de referencia. Forzosamente haré comparaciones con otros países.» Publicada por primera vez en 1921, *La rana viajera* supone el reencuentro del incansable viajero con su «charca», donde todo sigue exactamente igual que cuando la dejó: la misma gente, las mismas ideas, las mismas costumbres... Tiene el lector en las manos un libro divertido y triste a la vez, sagaz a la par que incómodo, no exento de una crítica mordaz y de una voluntad de crear polémica desde el humor y con un estilo ingobernable, un libro que invita a repensar los problemas de este país desde una óptica distinta y que, conforme avanza, nos convence de la tremenda actualidad de Julio Camba como escritor: no es ya que algunos de sus artículos parezcan escritos anteayer, es que muchos podrían pasar, perfectamente, por ser la columna de pasado mañana. *Alhena Literaria* nace con la intención de acompañar al lector en todos sus viajes: los que realiza desde el sillón de su casa, y aquellos que se atreve a emprender directamente. *Alhena Literaria* es un acercamiento a los relatos de viajes de los clásicos, de autores consagrados y, además, una apuesta por descubrir nuevos viajeros, nuevos autores.

From reader reviews:

Elizabeth Parker:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire all their reader with their story as well as their experience. Not only the story that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this La rana Viajera (Spanish Edition).

James Horowitz:

La rana Viajera (Spanish Edition) can be one of your nice books that are good idea. Most of us recommend that straight away because this book has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to place every word into delight arrangement in writing La rana Viajera (Spanish Edition) although doesn't forget the main place, giving the reader the hottest and based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into completely new stage of crucial considering.

Eva Sexton:

This La rana Viajera (Spanish Edition) is great book for you because the content which is full of information for you who have always deal with world and have to make decision every minute. This book reveal it info accurately using great arrange word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with beautiful delivering sentences. Having La rana Viajera (Spanish Edition) in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen minute right but this guide already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt that?

Jose Chapman:

Some people said that they feel weary when they reading a guide. They are directly felt it when they get a half elements of the book. You can choose often the book La rana Viajera (Spanish Edition) to make your own personal reading is interesting. Your personal skill of reading expertise is developing when you similar to reading. Try to choose simple book to make you enjoy to learn it and mingle the impression about book and reading especially. It is to be very first opinion for you to like to open a book and read it. Beside that the guide La rana Viajera (Spanish Edition) can to be your brand-new friend when you're truly feel alone and confuse in doing what must you're doing of these time.
