Progressive Identity Groups, or P.I.G.'s, are waging a war against individualism and its only economic and political corollary, Capitalism. I came up with the acronym after watching a Progressive mob shouting insults at uniformed police officers while protesting against the "wealthiest one percent" (which by the way, includes you, if you earn more than \$30,000 per year. Yes, if Occupy Wall Street protesters followed their own illogic to its logical conclusion, then they would have to count themselves as the oppressors. ). I heard the word "pig" several times and I realized then that since the police are the defenders of private property, which happens to be the main target of the institutional left, then it makes perfect sense that the Progressives would be seeking to undermine the police. By calling our police officers "pigs," they are engaging in a rather clever form of deflection. The Progressives call their political opponents "racist," "greedy," and "hateful", yet their own ideology has exactly those characteristics and demonstrates it in practice. Progressivism is racist, greedy, hateful, and fundamentally dishonest in its intentions. All those nasty epithets they hurl are apt descriptions for the ones using them, and this includes pig. The anti-cop Left and the anti-war Left are both at war with the America as founded. The anti-cop mentality is no different than the anti-war mentality. They aren't against cops and they are not against war. They just want to be the ones wielding the batons and declaring the wars. They want to use state violence to shut down all opposition to their utopian nanny-state.
