Discover Proven Strategies that helped me save my teeth from Gum Disease

Today only, get this Amazon bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

You're about to discover the strategies I used to cure my gum disease and go from red, bleeding gums to pink healthy gums. From having one 8mm pocket with a recommendation for regenerative surgery and 5 other teeth with 5-6mm pockets and 100% Bleeding on Probing to having the 8mm go down to 4mm and the 5-6mm go down to under 3mm, with 0% Bleeding on Probing, and all this without gum surgery! Also, you'll learn the routine I use to maintain my oral health and prevent the gum disease from recurring.

These techniques, products and routines helped me cure both Periodontal Disease and Gingivitis. These include strategies for both for the initial phase of getting the gum disease under control and the later day to day routine for prevention of a recurrence. If you are suffering from gum disease, you are one of millions worldwide who have this condition, which left untreated can cause tooth loss, and is actually the leading cause of tooth loss in Adults. The truth is, if you suffer from gum disease and are not overcoming it, is that you simply did not have effective strategies to deal with it until now. You will learn the details of the techniques, products and services I used to overcome my gum disease.
