## **The People of God: Empowering the Church to Make Disciples** Trevor Joy, Spence Shelton

The most powerful asset a church has is its people. *People of God* is a challenge to the men and women of the church. It is a challenge to believe what God says about his people still applies to the church today. It is a challenge not to settle for church as just a program. It is a challenge to return the ministry of God to the people of God.

*People of God* lays out the theology and practice of community. Authors Spence Shelton and Trevor Joy seek to show why community is central to the Christian life, and how to practice it in the 21st century church. Whether you are a pastor or a volunteer leader, *People of God* aims to equip and encourage congregations as they build a culture of discipleship in the life of their church.

The authors draw on experiences and learnings from their time leading two of the fastest growing congregations in America to give you principles that can apply in a church of 50 or 15,000.
