A working guide for healing damaged emotions. This is an ideal working guide for adults who seek healing from the brokenness of damaged emotions. Through the use of biblical principles, Twelve-Step wisdom, and the power of self-disclosure, The Twelve Steps - A Spiritual Journey becomes a road map on the journey toward lasting change and healing. The path toward wholeness is one of surrender and this book gently leads the reader to a proper dependence upon God, rather than a false trust in self. The book was written by people who have experienced the healing love of God and the transforming power of the Twelve Steps. The authors approach recovery from a traditional Twelve-Step perspective, but they also understand the spiritual basis and Christian roots of the Twelve Steps and recognize Jesus Christ as their Higher Power.
