## **El sonido de los Beatles (Indicios) (Spanish Edition)** Geoff Emerick

En El sonido de los Beatles, Emerick recrea sus experiencias en el estudio con los Beatles, relatando tanto las innovaciones musicales y experimentaciones sonoras de sus mejores grabaciones como los amargos conflictos y las jugosas anécdotas de lo que que tenía lugar tras las bambalinas. Con su mirada nostálgica y personal de la creación de las canciones más perdurables de los Beatles, este libro ofrece la historia oculta de la mejor banda de rock de la historia. / The author reveals the creative process of the band in the studio. How they achieved the sounds on their most famous songs. Brings the dynamics of the band, from the relentless (and increasingly mean-spirited) competition between Lennon and McCartney to the infighting and frustration that brought a bitter end to the greatest rock band the world has ever known.
