No Easy Way Out

Elaine Raco Chase

No Easy Way Out Elaine Raco Chase

Engineering robots, and all non-living creatures, was easy for Virginia - not so much with people. So when her best friend dragged her to the company Halloween party, Virginia went kicking and screaming...well as much as her Playboy bunny costume allowed for any movement.

But with her mask in place and her normal reserve as tiny as her costume, Dr. Farrell suddenly let loose. Wild and wanton, she fell into the muscular arms of the costumed and masked Bandit. His virile charms and passionate kisses penetrated her reserve. But at the stroke of midnight, when the masks were to come off, Virginia fled, leaving her bunny tail in the palm of the handsome Bandit's hand.

Alex Braddock was determined to find the curvy ass that fit the tail. He was stunned when it appeared that his new boss, Dr. Farrell was his sexy rabbit.

But was it the prim, professional Virginia? She resembled oatmeal!

Or her wanton twin sister, Ginger? She got turned on by the navel in an orange!

Which woman was the aggressor? Which woman ignited burning desire? Which woman - became the all-consuming question that needed an answer.

This romantic comedy is a laugh-a-minute, with a team of fairy godmothers that would make any Cinderella blush and a surprise twist in the middle that makes for no easy way out!
