## **One Knight's Journey** Sue Knight

A positive attitude and sense of humor can't cure cancer, but it can armor you for the journey. Sue Knight found herself thrown into an unexpected journey when, in January of 2014, she received a cancer diagnosis. Overwhelmed by questions, overloaded with information, and fearing the foreign world of cancer treatment, it became hard to sleep or focus. A friend suggested that she start a blog about her experiences. Originating from the dizzying flood of thoughts, and a desire to keep family and friends in the information loop, the blog became a cathartic experience. The journey was a rollercoaster ride, with ups (yes, ups) and downs. Over the course of treatment, life went on. Happy memories accompanied difficult times. Valuable life lessons grew out of the experience. This is her journey.
