Special Agent Christie Lovelace: Village of Idiots

Gene Penny

Special Agent Christie Lovelace: Village of Idiots Gene Penny

Christie Lovelace is sent to investigate an anonymous tip linking the death of a nameless woman to allegations of corruption in the small town of Danbury, Texas.

In the course of Christie's roller-coaster investigation, she is blindsided by unexpected news from her boyfriend Kieran, financially accosted by a strange motel owner named Otto, and forced to endure the curiously strong smell of feces wafting throughout the sheriff's station.

Special Agent Christie Lovelace: Village of Idiots is oddly befitting of a Monday - a day that starts off on the wrong foot and spirals into the most bizarre mystery of Christie's career.
